A Great Velocipede Bace in Esg.

[From the London Times. On Aug. 3 the race for the Captaincy

and sub Captainey of the Middlesex Biyele Club took place from Bath to Lonion, a distance of 106 miles. The start was from the front of Abbey, and all the competitors were up to time. Mr. Sparrow(who accompanied the race) started them at eight minutes past five o'clock, and, owing to the great number of people assembled, there was some difficulty in passing through the crowd. In a few ninutes, however, they were out of the town, and the running was very sharp, Walker and Tine were leading. Some Sirs; Your communication of this of the competitors had to dismount and following particulars of the strange and date was handed to me a few minutes walk up to Box Hill. They all passed

In less than an hour the entire neight who outrage society as they have done, but soon after Leaver dropped behind Although I cannot attend your meet, and was passed by Spencer at Reading a smart race as far as Colnbrook, where the remainder of the competitors. The time made by Walker is one hour less formed the journey from London to Bath in, and is also the best bycicle traveling on record, the pace of the winner exceed ing 10% miles per hour, including stoppages. Mr. Sparrow, the starter, a though upward of 50 years of age, followed the competitors on his bycicle, and performed the whole journey in 15 hours, including stoppages.
